

EMPEROR SANCTIONS RE-TAKING TIEN TSIN

Duplicity of Chinese Officials in the South
Enables the Making of Plans to Re-
capture These Forts.

New York, Aug. 14.—A despatch to the Herald from Chefoo dated Aug. 6 says: The Chinese plans for the re-capture of Tien Tsin and Taku forts have been sanctioned by the emperor.

OFFICIAL DUPLICITY AGAIN.
New York, Aug. 14.—A despatch to the Herald from Tien Tsin dated Aug. 3 says:

General Forward is in command of the forces left to defend Tien Tsin. The Chinese, however, called for reinforcements from the south. The duplicity of the southern viceroys accounts for this. The return of China means ruin to half a million officials.

AT PEKIN TOMORROW.
New York, Aug. 14.—A despatch to the Herald from the field at Aai Tsung, China, Aug. 8, via Taku, Chefoo and Shanghai, August 13 says:

"The general advance of the allied forces began this (Wednesday) morning. The order is to rush to Pekin with no rest."

"We probably shall arrive at the gates of the Chinese capital in seven days, reaching there next Wednesday."

"The Chinese are reported to have retreated straight to Pekin, after having been unexpectedly driven out of Yang Tsung on Monday."

"Yang Tsung was captured by the Americans under General Chaffee. They led the allies in the forced march from Peking and attacked before the natives had recovered from the effects of the signal defeat of the day before."

"The U. S. regulars made a dash when they found the enemy, and soon were masters of the position."

"But just here a most distressing thing happened. The Americans had done their work so quickly and thoroughly that they were in Chinese trenches before the roots of the allied army and a Russian battery threw shells among the Americans through a frightful error."

"The American casualties are estimated at about 20, mostly among the men of the 14th infantry."

"Part of the 14th's losses were caused by Russian shells."

"Forty per cent of the men of the 14th infantry were exhausted by long marching and the intense heat."

SITUATION NOT DESPERATE.
New York, Aug. 14.—A despatch to the Tribune from London says:

Sir Robert Hart's message from Pekin

of August 5, which has just been published is not the first that has been received from him in London, though it is the first which has been communicated to the world. On Friday he sent through a service telegram to the offices of the Chinese Imperial Maritime Customs the Chinese minister that in spite of the disorder in Pekin he is endeavoring to carry on the work of his department. The tenor of Sir Robert Hart's communication is regarded as, on the whole, hopeful, for though he clearly intimates that the situation in Pekin of the foreigners is grave he does not suggest that it is desperate. Between the date of Hart's dispatch and that of the latest received from Minister Conger there is an interval of three days, and matters may have changed for the worse in that time. With reference to Sir Robert Hart's mildly worded phrase that the presence of foreigners in Pekin is inconvenient to the Chinese government it should be remembered that Sir Robert is still in the service of the Chinese administration, and would be reluctant to denounce his employers, especially if he thought they might be able to read his cipher.

Lord Salisbury's reply to the formal announcement by the Chinese minister of Li Hung Chang's appointment as plenipotentiary has not yet been handed to Sir Chih Shen Lo, but its terms have been settled. It will be much in the same spirit as the reply of the United States government and will be equally vigorous in tone. The Chinese will be told that negotiation is out of the question until guarantees of the safety of the missionaries and other foreigners have been given.

The Yang Tse valley question has been somewhat complicated by the evident discrimination of the French not to allow the British claim to look after that region pass unchallenged. English mercantile interests are, of course, predominant in this part of China, and the French trade is comparatively small, but there are French missions and French consuls at various points along the great river. The Anglo-Chinese community are much chagrined at the representative of the European States government and will be equally vigorous in tone. The Chinese will be told that negotiation is out of the question until guarantees of the safety of the missionaries and other foreigners have been given.

INSURGENTS OF VISAYAS ISLANDS

They Are Becoming More Active
Now Than Ever Before.

UNITED STATES LOSS GREAT

In the Island of Panay—The Worst
That Has Occurred Since First
of the Year.

Manila, Sunday, Aug. 12.—Reports from the Visayas Islands shows that there has been increased activity among the insurgents there during the last six weeks. The American losses in the island of Panay last month were greater than in any month since January.

General Mojica, in Leyte, and General Lucban, in Samar, are harassing the garrisons, shooting into the towns during the night and ambushing small parties, firing and then retreating upon the larger bodies. The rebels possess an ample supply of ammunition and are organized to a considerable degree.

The Americans have garrisoned three towns on Samar Island, which shelters a fourth of the original inhabitants, who suffer from the continual "sniping" of the rebels from the surrounding hills. The third is without any native inhabitants, the rebel outposts, a mile away, preventing their return to their homes. General Lucban punished the islanders, who have any relations with the Americans. Cebu is likewise disturbed.

Barang: those who have taken the oath of allegiance to the United States, the rebels are imprisoned in Manila. When amnesty was proclaimed it practically was without effect and the "expulsion" proclamation would accomplish much in the unexpected time is daily diminishing.

The banks under government pressure have required the exchange rate of two Mexican silver dollars to one gold American dollar. General MacArthur has ordered the acceptance of American money for all public dues at the above rate.

Newspapers containing the national Democratic platform have arrived. The reference therein to Philippine Islands and to a protectorate tend to strengthen in its increasing attitude of delay and obstruction. It is believed that radical steps for a settlement here will be impossible before the election.

General Wright, Major Maun and others have returned from a trip to Benguet province, where they recommended the immediate establishment of a convalescent hospital. Benguet is troubled.

The Philippine commission, it is now announced, will make all future civil service appointments.

Several minor engagements occurred last week in Iloilo. The rebels used machine-guns, which they must necessarily obtain by filthstealing.

SENSATIONAL LETTER.

Pretends to Give Details of Several
Anarchistic Plots.

New York, Aug. 14.—The Italian newspaper, Progresso Italo-Americano, has received a letter postmarked New York City and signed "C. Luigi Alfieri, Born at Ancona, emigrated in 1897." The writer declares that he was "seduced by deceit" in the Anarchist society of Paterson, and being afraid to withdraw, learned of the plot to assassinate King Humbert. He writes:

"On May 1 of this year lots were cast for the infamous enterprise. The first was Gaetano Bresci's chance for the assassination of the benighted king of Italy; the second was Arturo Giovannelli's for the killing of President McKinley. Lots were drawn to kill the emperor of Germany, emperor of Austria, the president of France, Loubet."

The writer adds that on May 16 he notified the Italian consul at New York of the plot to kill King Humbert, and that he also notified the federal government that President McKinley was to be assassinated. He explains that his conscience compelled him to write the truth of the matter. Consul Branchi laughed when shown the letter.

For a New Loving Cup.

New York, Aug. 14.—David Barry, the American representative of the Thomas Lipton Yacht Club, was a guest recently at the No. 8 of the New York Yacht club, at the Atlantic Highlands, N. J. With a corps of photographers he boarded a yacht in waiting and, during the scene of the cup race between the Shamrock and the Columbia off Sandy Hook, Negatives of the course, the Hook and the Headlands were taken and forwarded to Sir Thomas Lipton in London. Sir Thomas intends to select one of the best of the pictures, from which an etching is to be made on a handsome loving cup. This cup is to be presented to the New York Yacht club and used for by the seventy-footers off Sandy Hook between September 10 and 15.

Want More Money.

San Diego, Cal., Aug. 14.—The bids for the new Carnegie library of this city for which Andrew Carnegie donated \$50,000 have been opened. The lowest bid received was \$65,885. The New York architects guaranteed that the work could be done on their plans for \$46,000. The matter is now held up, with the hope that Mr. Carnegie will increase his gift to cover the amount required.

Absconding Italian Banker.

New York, Aug. 14.—The detective bureau is looking for Antonio Pese, a banker with offices in this city. He has mysteriously disappeared. Scores of excited Italian depositors have thronged Pese's offices, and it is reported to the police that the banker has gone to Italy taking with him \$16,000.

WITH HEALING IN HER WINGS.

Miss Margaret Livingston Chanler
on a Red Cross Mission.

TO HELP SOLDIERS IN CHINA

Young Lady is on the Ship Hellet—A
Shining Example to the "Man
Without a Country."

New York, Aug. 14.—The Journal and Advertiser prints the following: Miss Margaret Livingston Chanler has gone to China to assist in the hospital relief work incident to hostilities there.

This young woman, member of one of New York's oldest families, who a few years ago relinquished the pleasures of society to become a nurse of the Red Cross society, will now have experience in her third war.

Miss Chanler is on board the United States hospital ship Hellet. This vessel just left Nagasaki, Japan, and is now cruising with the American warships off Taku, China, within easy reach of the allied forces advancing on Peking.

She goes to China as a Red Cross nurse, although more directly under command of the United States army than of the relief society. Since she was attached to the regular army relief corps by Gen. Miles in Puerto Rico she has held semi-official positions under this government.

Baron Russell Laid Away.

London, Aug. 14.—The funeral service of Baron Russell of Kilowen, chief justice of London, took place at Brompton Oratory this morning, in the presence of a large congregation. Father Matthew Russell, a brother of the deceased chief justice, said mass.

After the services, a hoarse hoarse, containing the principal mourners, proceeded by road for Epsom, where the interment will take place.

Among those present were United States Ambassador Choate, Mr. Henry White, secretary of the United States embassy, Mr. Francis Rawle, representing the American Bar association; a representative of the Prince of Wales, who sent a wreath; the Rt. Hon. William Court Gully, speaker of the house of commons; Lord Rosebery and many medical and theatrical professions.

New Customs House.

New York, Aug. 14.—Work has been commenced on the new customs house, which is to be erected on the Bowling Green site. A large force of men has been put to work excavating for the caissons of the building. It is expected that the building will be ready for occupancy within three years at the outside.
